## UX/UI Designer

I am a skilled UX/UI designer with 2 years of experience in digital design using Elementor and Figma. I completed UX/UI studies at Codesigner, receiving highly positive reviews on my work. I am passionate about design, technology, AI tools, and problem-solving, with high and fast learning abilities.

## Work Experience

### UX/UI Designer | Violane

2023-Present

I create advanced user experiences, design interactive interfaces for web and mobile, and develop them using Elementor.

### UX/UI Designer | Mishloha Digital

2022-2023, Ramat-Gan

- Led the complete design and development (using Elementor) of the company's main website, from research and interviews to a fully functional live site.
- I conversed with clients to gain a deep understanding of their individual website design requirements. Throughout every project, I maintained ongoing communication, ensuring their needs were met from inception to completion.

### Web Designer | Mishloha Digital

2021-2022, Ramat-Gan

- Designed and built over 30 responsive websites using Elementor.
- Created various digital products, including landing pages, banners, social media posts, pop-ups, and presentations.

### Paralegal | G&A, Advocates & Patent Attorneys

2019-2020, Ramat-Gan

## Volunteer Work

### UX/UI Designer | "Hamal for kids", "BritArim"

2023

I designed and built the websites for these nonprofits.
